

Fluid Roster in QScriptor

Log on to QScriptor through the BCCSL website, a screen similar to the one below will be displayed;

The screenshot shows the BC Coastal Soccer League website. At the top, there is a navigation menu with links for SCHEDULES, CALENDAR, DOCUMENTS, CONTACTS, ABOUT, CUP PLAY, and PORTALS. Below the menu, there is a section for District Portal Access, including a greeting and a search bar. A table lists teams, with 'Boys U12 Division 1A' selected. Below the table, there are buttons for 'VIEW ROSTER', 'FLUID ROSTER EDITOR', 'LINE EDITOR', and 'PHOTO UPLOAD'. A detailed instruction block explains the 'FLUID ROSTER' editor and lists photo specifications: dimensions (150x200px to 250x333px), accepted formats (jpg, png or gif), and file size limit (maximum 90k).

Select Fluid Roster Editor , the list of players in your team will be displayed in green.

This screenshot shows the 'FLUID ROSTER EDITOR' interface for 'Boys U12 Division 1A' and 'VUFC Adrenaline'. It features a 'Please select a mode for adding and removing members' section with radio buttons for 'FLUID' (selected) and 'TRANSFER'. Below this is a grid of player names in green boxes, each with a small 'x' icon for removal. A yellow instruction box on the right explains how to remove a member and how to add a new member from a dropdown list. At the bottom, there is a 'SAVE CHANGES' button and a row of navigation links: 'view this roster', 'line editor for this roster', 'upload photos to this roster', 'cancel', and 'district portal'.

From this screen you can remove any players who should not be on your roster or add those who are being added for the week on fluid roster.

Click in the box next to the last player or official listed and a list of VanU players who are eligible to play for your team will be displayed. Start typing the players first name and they should be listed, click on the players name and they will be listed in the box.

Select Save Changes.

The players will remain on your roster until you remove them.
