

VOLUNTEER OPPORTUNITIES 2019-20

Vancouver United FC is extremely grateful to our many volunteers and recognizes the valuable role they play in delivering Club programs and operations. The volunteer program is designed to ensure a fair volunteer system and reimburse members who donate their time to the Club and our players in a variety of meaningful ways.

VanU reimburses members upon making a volunteer contribution to the Club or to an individual team. Please refer to the volunteer roles when registering in our registration system – Stack Sports (formerly called Bonzi). The reimbursements will be issued as credits on the respective members' VanU Stack Sports account rather than a cash or credit card refund. The credit will be applied to the following year's registration. Families of graduating players and players not returning who are eligible for a reimbursement will be issued a cheque refund at the end of the season.

As volunteer opportunities arise throughout the season, volunteer calls will be made via emails and postings on the VanU website.

Volunteer Credit Reimbursements:

Volunteer Role	Credit Reimbursement
Age Group Coordinators	\$100
Coaches & Managers (U6-U8)*	\$50 for fall/winter season \$25 for spring season
Coaches (U9-U18)*	\$100
Team Managers (U9-U18)**	\$50

* Maximum three per team

** Maximum one per team

All other volunteers will be recognized at an annual volunteer recognition event.

Note that volunteers are only eligible for one reimbursement per child. In order to protect the interests of the Club, use of volunteer credits will be checked against the role of the person using the credit.
